

2023 Summer Program

(Business Chinese Language and Business Culture) (Online)

PROGRAM OVERVIEW

The 2023 Summer Program in Business Chinese Language and Business Culture enrolls overseas students who have acquired basic knowledge of Chinese language (HSK Level 3 and above) and are interested in Chinese business culture. The **four-week (from July 3, 2023 to July 28, 2023) program** will be delivered **online**.

The primary aim of the program is to provide its participants with training on business Chinese, lectures on modern China in the context of economic and social development that will enable them a higher level of fluency and confidence in the Chinese language, well awareness of China's economy and culture.

Students can be granted with scholarship (**tuition waiver**) if passing the admission interview.
